RE: C00055582 November 2005 Monthly report (10/01/2005-10/31/2005)

This memo is in response to your December 9, 2005 inquiry regarding the above referenced filing of the NY Republican Federal Campaign Committee.

The item on Schedule H2 for the "Golf Outing 9/19/2005" was correctly reported as a revised ratio. The first payment on this event was made 3/16/2005 and disclosed on the April 2005 Monthly report. However, on the original filing the event was described "Golf Outing 2005" as an exact date had not been set when the expenditure was made.

Be advised that the April 2005 Monthly report has been amended to correctly identify the event as "Golf Outing 9/19/2005".

Should you need any further clarification please do not hesitate to contact me.
